**For: METHODS FOR RECURSIVE SPACING AND TOUCH TRANSPARENCY
OF ONSCREEN OBJECTS**

Commissioner of Patents and Trademarks

Washington, D.C. 20231

SUBMISSION WITH REQUEST FOR CONTINUED EXAMINATION

(MPEP 706.07(h))

a.) Introductory Comments

This submission under MPEP 706.07(h)II addresses the Office Action dated August 29, 2008, in which claims 3-6 stand Finally Rejected. Claims 1 and 2 stand withdrawn following the election response filed November 2, 2007. Because of the Final Rejection, prosecution has been closed, as required for a proper RCE under 37 CFR 1.114(a)(3). Therefore it is appropriate that this RCE be entered and the prosecution resumed based on the claims and discussion presented herein.

b.) Amendments to the Specification

No changes to the specification are requested.
